

April 14th, 2023

Lower Chanceford Township Building, April 14th, 2023, at 9:00am. The special meeting of the Lower Chanceford Township Board of Supervisors was called to order by the chairman David Glenn. Others present were supervisors James Parlett, Jr and Alan Taylor. Secretary/Treasurer/Zoning Officer Susan Wiley was also in attendance.

The meeting was opened with the “Salute to the American Flag”.

Items of Business:

1. Sue explained to the board that Steven Smucker on Bridgeton Road has not complied with his NPDES permit, storm water and he was informed on March 3rd not to bring the cows in and on March 5th Sue was tipped off that the barn was being used. Sue read the section under penalties to the public. Motion by Supervisor Taylor and second by Supervisor Parlett to begin the prosecution process. Motion carried.
2. The township received numbers from Stewart & Tate pertaining to the black topping of the parking lot and the pipe maintenance/blacktop. Sue stated that they are waiting for Kinsley’s pricing.
3. ARP funding numbers were given to the board with break downs.
4. Patricia Booker, River Road, asked how people were made aware of township information since our community is so diversified. Sue explained that there is the internet, the township has a website, and by word of mouth.

There being no further business, the meeting was adjourned.
